## SAFETY PRECAUTIONS:

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

**HANDLING PRECAUTIONS:** After handling the chemical, wash your hands, forearms, and face thoroughly. Ensure you are wearing protective gloves, clothing, eye protection, and face protection during the entire process.

**IN CASE OF CONTACT:** If the chemical comes in contact with your skin, immediately wash the affected area with plenty of water. In case of eye contact, rinse your eyes cautiously with water for several minutes. Remove contact lenses if you wear them and continue rinsing.

**AFTER EXPOSURE:** If your clothing gets contaminated, take it off and wash it before reusing. If you experience skin irritation, seek medical advice promptly. Similarly, if eye irritation persists, consult with a medical professional.

**ADDITIONAL INFORMATION:** For more detailed information on the chemical and its safety measures, refer to the Safety Data Sheet (SDS).
